

“This system moves
Maryland forward to the
cutting edge of human
resource systems and on-
line support for employees.”

T. Eloise Foster
Secretary
DBM

“The Statewide Personnel
System will be for all
SPMS employees, not only
people working in offices.”

Cindy Kollner
Executive Director
OPSB, DBM

COMING SOON...

an
EASIER
work day

NOVEMBER 14, 2014

How would you like to be able to...

- Change your address, phone number, email & emergency contacts;
- View your Grade, Step & Increment Month;
- View your Salary History;
- Add your Education & External Job History; and
- Easily access Organizational charts & a complete State Directory

...all online?

Starting on November 14, 2014, you can do all of this and more with the all-new...

Statewide Personnel System!

The SPS is a secure and user-friendly system that puts your personnel data (such as your contact information and job history) at your fingertips. You'll save time and stress by going online to take care of things from your desk, at home or in the field.
